Coverage by document kind

Type	Kind code	Total
Patent application	A3	24,317
Patent specification	B6	11,788
Limited patent	B7	1
Utility model application	U1	5,831
Utility model 1993-2007	U	5,028
Utility model 2008 onwards	Y1	5,605
Utility model with changes to application	Y2	22
Limited utility model	Y3	1
Total		52,593

File formats and standard

WIPO Standard ST.37, version 3.0, approved 14 November 2025.

CSV: CSV text structure according to Annex II of WIPO ST.37 version 3.0; UTF-8, comma-separated fields and CRLF line endings.

XML: XML structure according to Annex IV of WIPO ST.37 version 3.0; validated against ST37PatentAuthorityFile_V3_0.dtd.

Used options

Availability and language of text-searchable abstract, description and claims are indicated where determinable.

Numbering formats

A3 documents

The document number is defined as an application number assigned in sequential order, a hyphen and two-digit indication of the year of filing (e.g. 25-93) from 1993 to 1999 or four-digit indication of the year of filing (e.g. 25-2021) from 2000 onwards.

B6 documents

The document number is defined as six-digit patent number assigned by continuous series (e.g. 281613) from number 277680 onwards.

B7 documents

The document number is defined as six-digit patent number assigned to original (B6) patent number (e.g. 286236).

U1 documents

The document number is defined as an application number assigned in sequential order, a hyphen and four-digit indication of the year of filing (e.g. 3-2008).

U documents

The document number is defined as a number assigned by continuous series (e.g. 93) from 28 to 5055.

Y1 documents

The document number is defined as a number assigned by continuous series (e.g. 8373) from 5056 onwards.

Y2 documents

The document number is defined as a number assigned by continuous series in line with Y1(e.g. 8373) from 5056 onwards.

Y3 documents

The document number is defined as a number assigned to original (Y1 or Y2) utility model document (e.g. 7166).

Update frequency

The SK Authority File is updated monthly.

Note

Due to the dissolution of the former Czech and Slovak Federal Republic in 1993 and the establishment of the Slovak Republic and the Czech Republic, some applications originating in the former federation may also be present in the SK Authority File.
